An Eco-Fable for Kids and
Other Free Spirits

*In the very heart of the last magic
forest lived the last wild Witch...*

This is the story of how the children of the perfect town found their joy and courage, and saved the last wild Witch and the last magic forest from disappearing. The first children's book by visionary author and earth activist Starhawk, magically illustrated by painter Lindy Kehoe, *The Last Wild Witch* is a fable for our time.

IN THE SPIRIT OF We'Moon

CELEBRATING 30 YEARS

An Anthology of We'Moon Art and Writing
At last, a We'Moon that does not end when the year is over!

In the Spirit of We'Moon is a unique Anthology showcasing three decades of treasured art and writing from the We'Moon datebook. Don't miss this cutting edge collection that celebrates the outpouring of We'Moon creativity from around the world, during an extraordinary period of women's history.

This Anthology features vibrant offerings of art and writing from hundreds of beloved We'Moon contributors, and historical perspectives from founding editor Musawa and others, sharing stories of We'Moon's colorful evolution.

"A lineage, a sourcebook, a visual and literary spell of pages, the art is nothing short of oracular, and the book reads like an unfolding of prayer."

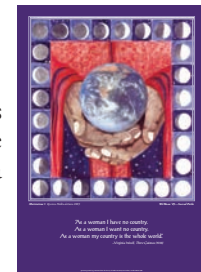

—Julie Weber, *WomanSource Rising News*

"The beauty of We'Moon is the beauty of oneness, putting all these nations under the same umbrella. I have absolute blessings for this Anthology. We can walk with this wisdom."

—Excerpt from a *We'Moon* review by Flordemayo,
Mayan Grandmother from
The Council of Thirteen Indigenous Grandmothers
